

**Corporate Synergies Group, Inc. Names Louis Daniels  
Executive Vice President and Sales Leader**

**MT. LAUREL, N.J. – February 9, 2009** – Corporate Synergies Group, Inc. (Corporate Synergies) has named Louis Daniels Executive Vice President and Sales Leader. Mr. Daniels assumes management responsibility for Corporate Synergies' sales growth, client products and services. Mr. Daniels will report to Scott Birnbaum, Chairman of the Board of Corporate Synergies Group.

Birnbaum said “Lou is a dynamic sales and marketing executive who has a track record of developing profitable business and building market presence in the insurance and financial services industries. His strong entrepreneurialism is a perfect fit for Corporate Synergies. I'm confident he'll make a significant contribution toward helping us continue our leadership in providing innovative products and services and the best possible plan designs and rates in the healthcare benefits market.”

Mr. Daniels is a 29-year insurance and financial services industry veteran who previously served in senior management positions as Senior Vice President, National Sales Leader, Financial Institutions and Affinity Marketing at Genworth Financial, a leading Fortune 500 global financial security company; and national executive roles with Marsh, Willis North America and Wells Fargo Bank. Mr. Daniels was also the architect and first manager of United Jersey Bank/Summit Bancorp's Insurance Services Division. In that capacity, Mr. Daniels worked to develop the corporation's annuity, life and benefits program, which became the sales model for the insurance and financial services industries.

Mr. Daniels holds a bachelor's degree in finance and management from Providence and is a licensed insurance broker.

**About Corporate Synergies**

Corporate Synergies is a full-service benefits broker and consultant. Recognized as a thought leader in the healthcare industry, Corporate Synergies continually raises the bar on industry standards by providing progressive thinking, delivering effective client solutions, and providing the best possible client-specific solutions.
