EPIC Lifestyle SOLUTIONS delivers a secure, online portal that seamlessly integrates a company's population, mission and culture with their wellness and benefits strategies.

theBRIDGE
A central hub positioned to **promote and market content** that drives a company's **culture, benefits and wellness** initiatives.

theCHALLENGE
Provides **unlimited access to over 30 challenges** focused on physical activity, stress, nutrition, weight and wellness.

thePORTAL
A scalable, holistic wellness solution designed to **engage participants** and generate **measurable results** for employers.

WHAT MAKES EPIC DIFFERENT?

Strategy. Implement and integrate this solution into a long-term wellness strategy.

Scalable. Sized to meet all wellness programs whatever the current stage of their wellness journey

Open Access. All employees, spouses and domestic partners can participate.

Cost-Effective. Only pay for participants enrolled – not total eligible.

Reporting. Employer on-demand, year-end and impact analysis reporting (based on available data).

Challenges. Unlimited challenges provided via our extensive library (syncs with Fitbit and Google Fit compatible devices and apps).

Communications. A defined suite of communications from our core library; bulk email distribution via the portal (on-demand or criteria-based).

Integration. Integrates with multiple third-party vendors.

AWARD-WINNING WELLNESS STRATEGIES

AWARD-WINNING WELLNESS PLATFORM (administered by Corehealth)
